22% high fat top dress

Highly palatable.

Get fast results for increased bloom and condition

Promotes a healthy look and shine to skin and hair.

Works great on all species (swine, cattle, horses, sheep and goats).

The name of this product says it all. **HIGHNOON'S FULL BLOOM** will fulfill all your expectations, first it is a highly palatable pellet feed additive that your animal will dig right into, second it gives your animal a lustrous bloom and excellent finish, third it works great on your tougher doing animals that need some extra condition and give them that fresh healthy appearance. The swine, horse, and cattle people love this product and it also works great on all other species. Get a bag of **FULL BLOOM** today and see your animals get that show ready look.
