Start-N-Grow Pig

hn302

A complete feed for starting and growing pigs weighing 30 lbs and up.

Get your pigs sale ready with this highly digestible and nutritional formula

20% Protein* 1.3% Lysine * 7% Fat *

HighNoon's ON TARGET Start-N-Grow Pig Feed is designed for young pigs from the 30# and up. It is a feed that is very digestible and provides the essential nutrients needed for rapid growth and still maintain the bloom and muscle shape required for early sales and shows. This feed is nutritionally loaded to enhance intake, increase gain, and the optimal balance of vitamin and trace minerals. It has a higher level of Lysine (1.3%) along with an ideal balance of digestible amino acids to calorie ratio that allows for consistent growth and muscle development. Get your young pigs on target with **HighNoon ON TARGET Pig Feed** program and our impressive list of **High Noon Top Dresses** and additives.
