## Maintainer Sow & Gilt HN310

A complete feed for growing gilts and maintaining sows

Nutrients and energy for growing and maintaining gilts and sows

16% Protein \* 1.0% Lysine \* 5.5% Fat

**"ON TARGET" Maintainer Sow & Gilt** is formulated to grow and maintain gilts and sows. Feed free choice to growing gilts from 120 to 300 lbs. Feed **Maintainer** to your sows through out reproduction by making adjustment in intake to maintain nutrition and body condition during gestation and lactation. **Maintainer** is a very flexible complete feed that can be limit fed or fed free choice to get the desired frame and condition. When using **Maintainer** for flushing through lactation, increase intake to provide the nutrition and energy while maintaining body condition. Use 4 to 6 oz. of **Original Glo** or **High Glo** during flushing to help with ovulation and 2 weeks before birthing to get your pigs off to a great start. Your pigs will hit the ground running.
