## ***SHINE'EM UP*** Top Dress hn505

Very versatile feed additive.

Top dress that can provide extra bloom to your feeding program.

Very palatable texturized sweet feed.

Encourages baby lambs to the feeder when mixed with creep feed.

Great additive to help dial in your show animals.

Compatible with all HighNoon Top dresses.

High Noon is very proud of our versatile additive; **Shine'Em Up**, because of its varied abilities and applications in your feeding program. **Shine'Em Up** works very well as a top dress for your creep feed when you are starting baby lambs out. You will see your babies huddled around the feeders and as a result start on your creep-feeding program much earlier. You can also use **Shine'Em Up** later on in your feeding program to add extra bloom to sale lambs. Feed 4 ounces per day of **Shine'Em Up** to your show lambs to give them extra mass and bloom for show day. As you can see, **Shine'Em Up** has many uses from start to finish. Once you start feeding it, you will not want to ever feed without it!
