## Show Lamb

hn104

Works great to get you lambs started on texturized show feed.

Keep lambs growing while maintaining that athletic look.

Can be mixed with creep feed to get started.

For use up to 115 to 125lbs depending on condition.

High Noon Feeds™ **Show Lamb** is a complete, textured lamb feed designed to transition from High Noon's Max. Creep and Developer to Show Lamb by adding it when lambs weigh from 90 to 110 lbs. and feed full feed up to 125 lbs. depending on condition when headed for the show ring. This high performance feed is formulated to achieve lean growth, optimum body condition, muscle tone, and freshness in lambs weighing over 90 to 125 pounds.
